Recommendation:

That the City Council:

1. Receive the Draft Housing Code for your review; and

2. After reviewing the document, consider scheduling a Study Session for further review and discussion.

Background and Discussion

In May of 2011 staff was directed to prepare a Draft Housing Code for the City including a Rental Home Inspection Program (RHIP). Staff actually completed the Draft shortly thereafter. Staff met with the Humboldt Association of Realtors Government Review Committee (GRC) and discussed the City's intent on developing a Housing Code, including the Rental Housing Inspection Program. The GRC expressed concerns regarding the RHIP and the associated costs, including the fact that the costs would be affecting the rental rates and the affordability of housing in general in the City. Furthermore they felt there may be privacy issues. They also felt that there were existing provisions in the Health and Safety Code regarding substandard dwellings that could be enforced to address most if not all the concerns the City may have.

At the time, based in part on the GRC’s concerns and the fact that there were a number of changes occurring, the City Manager at the time decided to put the program on hold.
At this point, the City Manager recommends that we distribute the document to the Council and allow time for your Council to review the information and schedule a Study Session for further review and discussion.

14.05.010 Adoption.

(1) There is hereby adopted a Housing ordinance for the City of Rio Dell, State of California, as provided pursuant to the provisions of State of California State Housing Law, Division 13, Part 1.5 of the State of California Health and Safety Code, Division 13, Housing, and the Health and Safety Code itself, all as amended from time to time by the Legislature of the State of California.

(2) This chapter incorporates by reference the State Housing Law and the Health and Safety Code, including administrative and enforcement mechanisms of Health and Safety Code Chapters 5 and 6 of Division 13, Part 1.5, as amended from time to time by the Legislature.

(3) These State of California Law and Codes preempt other provisions of this chapter in the event of differing or conflicting provisions. This chapter makes no local changes to the State Housing Law or State Housing Code due to local climatic, geographical or topographical conditions under Health and Safety Code Section 17958.5. Accordingly, no local legislative findings or filings are required under Health and Safety Code Section 17958.7

(4) The provisions of this title shall apply to all lands and all owners of lands within all the incorporated area of the City of Rio Dell.

14.05.020 Short title.

This title shall be known and cited as the "Rio Dell Housing Ordinance." In any administrative action taken by any public official under the authority set forth in this title the use of the term "housing ordinance," unless further modified, shall also refer to and mean this title.

14.05.030 Purpose.

(1) This title is adopted to promote and protect the public, health, safety, morals, comfort, convenience and general welfare and to ensure social and economic stability within the City of Rio Dell. Substandard housing has caused health risks to its occupants and those who reside in the surrounding neighborhood. Additionally, substandard housing has significantly contributed
to neighborhood blight. As a result, substandard housing is a nuisance that threatens the public’s health, safety and welfare of the citizens and community of Rio Dell.

(2) To eliminate this nuisance it is imperative to establish enforceable minimum standards for residential buildings. The purpose of this chapter is to establish such standards for maintaining all residential buildings within the City of Rio Dell and thereby safeguard life, limb, health, property, safety, and welfare of the public.

(3) The City is under a state mandate to have a program to enforce the provisions of the State Housing Law. Unsafe housing is a community blight often associated with unlawful activity. While the cost of enforcement is significant, the result of failing to abate substandard housing has more adverse and far reaching consequences such as loss of housing and displaced individuals.

(4) Complaint initiated enforcement actions are sufficient to provide the essential level of abatement of substandard housing conditions needed by this community. An increased level of service which includes routine inspections of rental housing units has been determined to be necessary to eliminate substandard housing in the City.

(5) Having determined the appropriate level of service to be provided by a housing code enforcement program, it is also determined that those persons who violate the State Housing Law should bear the greatest practical share of the costs of operating such a program through enforcement fees and penalties. However, the establishment of such a program requires revenue to fund its implementation costs and to fund the difference between the ongoing costs of such a program and the revenue collected from violators through enforcement fees and penalties. The source of this revenue must be reliable if such a program is to achieve its objectives. Collection of enforcement fees and penalties is inherently unreliable as a funding source, and therefore cannot be relied upon either to establish the initial operating revenue for such a program or to fully support its ongoing operational costs.

(6) It is therefore necessary to levy a Rental Housing Code Compliance Fee for the purpose of generating the revenue required to fund the implementation and ongoing operating costs of such a program. The Rental Housing Code Compliance Fee may be adjusted annually, as necessary, for the purpose of ensuring adequate funding for the program. The Rental Housing Code Compliance Fee is a supplemental funding source for this program, intended to make up for any actual or forecast deficiencies in total program costs not generated from the collection of business license fees, enforcement fees and penalties from violators.

14.05.030 Findings:

The Rio Dell City Council finds as follows:

(1) It is imperative to establish enforceable minimum standards for residential buildings and to provide a program for enforcing these standards which is self-supporting.

(2) Complaint-initiated enforcement actions are sufficient to provide the essential level of abatement of substandard housing conditions needed by this community.

(3) Violators of the State Housing Law must bear the largest feasible share of the cost of housing Code enforcement.
(4) Rental property owners derive a substantial benefit from a housing Code enforcement program and should therefore contribute to a portion of program costs.

(5) Residents of rental property also benefit from a housing Code enforcement program and should therefore contribute to program costs indirectly through the cost of renting such housing.

(6) It is necessary to establish an operating fund, which is separate from the City’s general fund, for the purpose of implementing a housing code enforcement program and operating it on an ongoing basis. It is necessary that this source of funds be predictable and reliable for the efficient and continued operation of such a program. The imposition of a Rental Housing Code Compliance Fee is an appropriate means to accomplish this purpose.

(7) It is recognized that the majority of rental housing property owners comply with the State Housing Law and applicable City ordinances, and that only a relatively small percentage violate these laws. And while it is the intent of this chapter that this group of violators should pay for as much of the cost of a housing Code enforcement program as is practical and feasible, it is also recognized that the collection of enforcement fees and penalties from violators can be a protracted and costly process, and that reliance thereupon as the sole source to fund such a program is inherently speculative and unrealistic. Therefore, while the primary source of revenue for this housing code enforcement program is intended to come from the collection of enforcement fees and penalties from violators, in their absence, the Rental Housing Code Compliance Fee is intended to make up program cost deficiencies. The reliance of such a program on the City’s general fund for its cost of operation shall be minimized to the greatest extent possible.

(8) This chapter satisfies the City’s legal obligations under the State Housing Law.

14.05.50 Scope

(1) Administrative abatement proceedings as described in this section will take place when the nuisance is of a nonemergency nature.

(a) Courtesy Letter. Upon determination by an enforcement official that a nuisance exists, a courtesy letter will be delivered to the owner, occupant, lessee and/or agent of the property where the nuisance is occurring. The courtesy letter will:

(i) Give a sufficient description to identify the property where the nuisance is occurring and shall include the parcel number and address;

(ii) Describe the condition causing the nuisance;

(iii) Include a description of corrective action that must occur to remedy the violation;

(iv) Advise the owner/occupant/lessee and/or agent of the property that the nuisance must be abated within four weeks of the date of receipt of the courtesy letter;

(v) Advise the owner/occupant/lessee or agent of the property that failure to abate the nuisance within four weeks will result in further action.

(b) Notice and Order. If the nuisance is not abated within four weeks of delivery of the courtesy letter, the City will deliver a notice of violation and order to abate to the owner/lessee/occupant or agent. The notice and order may be recorded in the office of the County Recorder of the County of Humboldt. The notice and order will:

(i) Give a sufficient description to identify the property and its legal owner where the nuisance is occurring including the parcel number and address;
(ii) Describe the condition causing the nuisance;

(iii) Include a description of the corrective action that must occur to remedy the violation;

(iv) Provide dates by which the violation must be commenced and entirely abated.

Commencement must occur within two weeks and abatement must be complete in a specified amount of time no less than four weeks and no more than six weeks from the delivery of the notice and order, depending on the nuisance, unless an extension is granted by the City Council. The dates shall be set by the enforcement official;

(v) Provide a description of the penalties for failure to remedy the nuisance within the specified time defined as $25.00 per day each day beyond the specified time limits until the nuisance is abated, including $25.00 per day if the abatement is not commenced within two weeks, and $25.00 per day if the abatement is not completed within the time period specified in the notice and order, up to a maximum of $500.00;

(vi) Give notice that if the nuisance has not been abated within two weeks of the specified time limit, the City shall have the authority to abate the nuisance itself or via a contractor and that the responsibility for the costs of abatement, including the costs of actual removal or demolition and the associated administrative and legal costs, will be assessed to the owner, lessee and/or occupant of the land on which the nuisance is located and that failure to comply may also warrant the pursuit of further civil and/or criminal charges in accordance with the laws of the State of California;

(vii) Describe the rights of the owner, lessee and/or occupant of the land to request a public hearing before the City Council. (Refer to RDMC 8.10.100.)

(2) Weed Abatement. The City shall gain the authority to abate/destroy weeds, dry grass, rubbish and other inflammmable material or vegetation 10 days from the delivery of the courtesy letter/notice to destroy weeds. The costs of such abatement, including administrative costs, shall be the responsibility of the property owner. [Ord. 239 § 7, 2000.]

14.05.140 Delivery of Notices.

Any notice or letter required to be delivered by this chapter shall be deemed to have been delivered when a copy of said notice is either served personally or has been deposited in the mail, postage prepaid, certified, return receipt requested to the owner and/or occupant, lessee or agent of the property. A copy of the notice may also be prominently affixed to the premises. The failure of the City to make or attempt to make such service shall not invalidate any proceedings of this chapter. If no address can be found or is known to the City, then any notice shall be so mailed to such person at the address of the premises where the nuisance is occurring. The failure of any person to receive such notice shall not affect the validity of the proceedings of this chapter. [Ord. 239 § 9, 2000.]

14.05.150 Appeal, Public hearing.

(1) Appeal. Within two weeks of delivery of the notice and order, the owner, lessee or occupant may appeal any notice and order by filing at the office of the Clerk an appeal fee established by resolution of the City Council and a written appeal. The appeal shall not be
deemed filed until payment of the appeal fee has been received; however, the appeal fee required hereby may be waived on the basis of financial hardship. Within the same two-week time period, the owner, lessee or occupant of the property may submit to the City in writing a sworn declaration that the nuisance does not exist and/or is not their responsibility. In this case, the Director may continue the public hearing to determine the existence and/or responsibility of the nuisance. The written appeal shall contain:

(a) The names of all appellants participating in the appeal.

(b) A brief statement setting forth the legal interest of each of the appellants in the building or land described in the notice and/or order, determination or action.

(c) A brief statement in ordinary and concise language of the specific order, determination or action protested, together with any material facts claimed to support the contentions of the appellant(s).

(d) A brief statement in ordinary and concise language of the relief sought and the reasons why it is claimed the protested order, determination or action should be reversed, modified or otherwise set aside.

(e) The signature of each party named as an appellant and their official mailing address(es).

(f) The verification (by declaration under penalty of perjury) of at least one appellant as to the truth of the matters stated in the appeal.

(2) Inspection. The City Council may inspect the premises involved in the appeal hearing prior to, during or after the hearing, provided that:

(a) Notice of such inspection shall be given to the parties before the inspection is made;

(b) The parties are given an opportunity to be present during the inspection;

(c) The City Council shall state for the record during the hearing, or file a written statement after the hearing for inclusion in the hearing record, upon completion of the inspection, the material facts observed and the conclusion drawn there from; and

(d) Each party then shall have a right to rebut or explain the matters for the record during the hearing or by filing a written statement after the hearing for inclusion in the hearing record.

(3) Public Hearing. A public hearing shall be scheduled before the City Council as soon as practicable. The Clerk shall give written notice of the time and place of the hearing at least five days prior to the date of the hearing to each appellant by causing a copy of such notice to be delivered to the appellant personally or by mailing a copy thereof, certified postage prepaid return receipt requested, addressed to each appellant at his or her address shown on the appeal. Notice shall be effective upon personal delivery or five days after mailing.
(a) Conduct of Hearing. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the type of evidence upon which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which make improper the admission of such evidence over objection in civil actions in courts of competent jurisdiction in this state. Hearsay evidence may be admitted for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. Irrelevant and unduly repetitious evidence shall be excluded.

(b) Persons Affected. Any person affected may be present at such hearing, may be represented by counsel, may present testimony, and may cross-examine the enforcement official and other witnesses. The hearing may be continued from time to time by motion of the majority of the City Council.

(5) Determination of the Council. Upon conclusion of a hearing, the Council may terminate the abatement proceedings or order the abatement to proceed.

(a) The City Council may grant additional time for the responsible party to effect the abatement of the nuisance; provided that such an extension is warranted and limited to a specific time period, set by a motion and passed by a majority of the City Council.

(b) If the City Council determines that the nuisance shall be abated within the original time period, failure to do so will result in the accruing of penalty fees and further action. [Ord. 239 § 10, 2000.]

14.05.160 Form and Contents of Decision; Finality of Decision.

(1) Form. The decision of the City Council or Director shall be in writing, shall contain findings of fact and a determination of the issues presented, and shall be issued no later than thirty (30) days from the date of the hearing, unless the time is waived by the parties.

(2) Possible Orders. If it is shown by a preponderance of the evidence that the condition of the premises constitutes a public nuisance the decision shall require the owner to commence abatement of the nuisance not later than fifteen (15) days after the issuance of the decision, and that the abatement be completed within such time as specified by the City Council, or in the alternative, within the time designated by the Director. If the building, structure or premises is lawfully occupied, and abatement of the nuisance may not be safely accomplished under the circumstances as a result of such occupancy, the occupants may be ordered to vacate the premises under terms reasonable under the circumstances presented. The City Council may order such remedies as are reasonable under the circumstances for the protection of the public or affected property, and as are otherwise authorized by law or in equity, including the following: The owner shall be responsible for satisfying all relocation benefits, as may be required by law. The premises may be ordered fenced and boarded against entry. Regular patrol of the premises to ensure the integrity of such boarding and fencing measures may be ordered. (It is not the intent of this Code to allow boarding and fencing of premises to substitute for abatement of the
public nuisance; such actions are to be merely interim measures, lasting only so long as is necessary to protect the public and property until full abatement may be accomplished.) The City Council may order other measures which are reasonable and necessary for the protection of the public or property under the circumstances. The City Council’s decision shall inform the owner that if the nuisance is not abated within the time and in the manner specified, the nuisance may be abated by the City, without further notice or consent of the owner or any party in interest, in such manner as may be ordered by the hearing examiner, and the expense thereof, including all costs of enforcement, and relocation benefits required to be paid by the City as a result of the owner’s failure to do so, may be made a lien on the subject property.

(3) Decision Final. The decision of the City Council or Director shall be final when signed and issued by the City Council or Director and served as herein provided.

14.05.170 Failure to Appeal

Failure of any person to properly appeal, including making payment of the appeal fee in accordance with the provisions of this chapter, shall constitute a waiver of his or her right to an administrative hearing and adjudication of the notice and/order, determination, or action, or any portion thereof.

14.05.180 Costs on Appeal

The City may be awarded its costs, including attorneys’ fees, in defending against an unsuccessful appeal brought without substantial merit, which costs may be charged jointly and severally against the appellants and recovered as costs of enforcement as provided herein. Such an award must be based upon a finding supported by a preponderance of the evidence that the appeal was without substantial merit or was taken for the sole purpose of delay.

14.05.190 Penalties

(1) Each day in which a violation and/or public nuisance is not abated following the commencement and completion dates specified in the notice and order will constitute a separate infraction of this chapter with a penalty of $25.00 per day, including $25.00 per day if not commenced by the specified date and $25.00 per day each day that the nuisance continues to exist on the property beyond the specified abatement deadline, up to a maximum of $500.00. Additional civil and criminal charges or penalties may be imposed in accordance with California State law.

(2) Repeat violations of this chapter by the same responsible party within one year of delivery of the first notice and order may result in higher per-day penalties, up to $50.00 per day, up to a maximum of $1,000.

(3) Fines. The City may seek, in addition to all other remedies available at law, criminal sanctions, contempt and other penalties provided for under Chapter 6, Division 1.5 of the Health and Safety Code (commencing at Section 17995).
(4) The City may shut off the water supply to any rental units where the owners have failed to pay the required Rental Housing Code Compliance fee or have failed to conduct the required property inspection and the filing of the inspection reports as required by this Chapter.

14.05.200 Cost Recovery

(1) Costs. In the event that the owner/lessee/occupant does not abate the nuisance within the time period specified in the notice and order, the City shall retain the right to abate the public nuisance at the expense of the responsible party. Expenses to the owner/lessee/occupant shall include the actual costs of abatement as well as the associated administrative and legal costs, including court costs and attorneys' fees, and penalties.

(2) Revolving Fund.

(a) The City Council shall create a Housing Code Enforcement Fund revolving fund from which may be paid the costs of enforcing the provisions of this chapter and the City's nuisance abatement program, and into which shall be paid the receipts from the collection of penalties and costs recovered.

(b) The material property retrieved from any nuisance abated by the enforcement official may be sold in the same manner as surplus City personal property is sold, and the proceeds from such sale shall be paid into the revolving fund.

(3) Accounting and Receipts.

(a) The City Finance Department shall keep an itemized account of the expenses incurred by the City in enforcing the provisions of this chapter, including the costs of administering this chapter and actually abating a public nuisance and all administrative, legal and contracting costs.

(b) Upon completion of the abatement, the enforcement official shall cause a public notice to be prepared which will specify the work done and include an itemized account of the costs and receipts of performing the work; an address, legal description or other description sufficient to identify the premises; the amount of the assessment proposed to be levied against the premises; and the time and place when and where the enforcement official will submit the account to the Council.

(4) Assessment of Costs and Penalties. At a regularly scheduled City Council meeting, of which responsible parties will be notified, the Council shall hear and consider the account, penalties and proposed assessment, together with objections and protests thereto. The Council may make such modifications and revisions of the proposed assessment as it deems just, and may order the account and proposed assessment confirmed or denied, in whole or in part, or as modified and revised. The determination of the Council shall be final and conclusive.

(5) Penalties and/or costs will be billed directly to the responsible party. Failure to pay will result in the preparation and recording of a lien.
14.05.210 Lien.

(1) Upon failure of the responsible party to pay penalties and costs, and upon confirmation by the Council, the enforcement official shall cause to be prepared and recorded in the office of the County Recorder of the County of Humboldt a notice of lien. Said notice shall contain the following:

(a) An address, parcel number, legal description or other description sufficient to identify the premises;

(b) A description of the proceedings under which the special assessment was made, including the order of the Council confirming the assessment;

(c) The amount of the assessment;

(d) A claim of lien upon the described premises.

(2) Lien. Upon the recordation of such notice of lien, the amount claimed shall constitute a lien upon the described premises.

(a) Collection with Ordinary Taxes. The notice of lien, after recordation, shall be delivered to the County Auditor, who shall enter the amount of the lien on the assessment roll as special assessments. Thereafter the amount set forth shall be collected at the same time and in the same manner as ordinary City taxes are collected, and shall be subject to the same penalties and interest, and to the same procedures for foreclosure and sale in case of delinquency, as is provided for ordinary City taxes, and all laws applicable to the levy, collection and enforcement of City taxes are hereby made applicable to such assessment.

*“Rental Housing Unit” means a single unit of residence for a single housekeeping unit of one or more persons, that is being rented, or is intended to be rented. Examples of housing units covered by Chapter 14.05 of the Rio Dell Municipal Code include apartment units, condominiums, duplexes and single-family houses. Rental housing unit also includes other types of residential units that provide for sleeping accommodations but toileting and cooking facilities are shared in common by occupants of more than one unit, such as residential or single room occupancy hotels. Welcome to your new rental home. We hope your stay is enjoyable, so we encourage you to talk to us if you have any questions about your home or our rental policies. This information sheet provides you with general information about your rights and responsibilities. Please read it carefully and let us know if you have any questions.

Rights and Responsibilities: Owners and residents of rental properties have specific rights and responsibilities under current State and local laws. As a resident, your rental home must be a safe place to live. In other words, it must be habitable. This means that your home must have the following:

- A structure that weatherproof and waterproof; there must be no holes or cracks that allow rain or wind to enter;
- A plumbing system in good working condition and connected to the City's water and sewer system or functional on-site systems;
- Floors, stairs and railings in good repair;
- A hot water system capable of producing water of at least 110 degrees Fahrenheit;
- An electrical system that was legal when installed and without loose or exposed wiring;
- A heating system that is in a safe, working condition;
- A lack of insect or rodent infestation;
- A home that is free from garbage and debris;
- Sufficient garbage or trash receptacles;
- A working toilet, wash basin and bathtub or shower;
- A kitchen with a sink;
- A safe fire or emergency exit;
- Deadbolts locks on each entry door into the home;
- Working smoke and carbon monoxide detectors located in specific areas;
- Working telephone jack and phone wiring inside the home.
As a resident you have a responsibility to do the following:

- Maintain a clean and sanitary rental home;
- Properly dispose of garbage or trash;
- Properly operate all electrical, gas and plumbing fixtures;
- Refrain from damaging or defacing the home or allowing anyone else to do so;
- Use the living room, dining room, bedrooms and kitchen for their proper purposes;
- Report broken door and window locks;
- Contact the rental owner or property manager immediately to report any problems with your rental home, especially any water damage or leaks;
- Comply with all the rules, terms and conditions of the rental agreement.

Retaliation is Against the Law
A rental owner or property manager may not evict or threaten to evict a resident for exercising a legal right, such as requesting habitability repairs.

Maintenance and Repairs
Owners and managers want to know if there is an item that needs repair in your home. If you have a problem with any of the habitability items listed, you should:

- **Contact the rental owner or property manager first.** You should document your request in writing and keep a copy. If there is water intrusion a water leak or any water damage occurring to the property, contact the owner or manager immediately by using the telephone number on the front of this page.
- **Allow a reasonable period of time for repair.** In most cases the owner or manager will begin working on repairs shortly after they are notified. Some repairs may take longer than others to complete. Current law allows 30 days as a reasonable time to address a repair, but it also depends on the nature of the repair.
- **Contact the City.** If you have made a request for a habitability repair and waited a reasonable time and the repair has not been made, you may contact the City and file a complaint.

Owner's Right to Enter and Your Rights
In most cases the owner and manager must provide you with written notice to enter your rental home. Written notice is considered reasonable if it is provided at least 24 hours in advance. A written notice is required in the following situations:

- To make necessary or agreed upon repairs;
- For inspection of the smoke and carbon monoxide detectors;
- To inspect waterbeds;
- If a court permits it.

However, a prior written notice is not required in the following situations:

- In an emergency;
- When you or another occupant consents;
- After you have abandoned or surrendered the rental home;
- Upon a verbal agreement to allow the owner to make agreed upon repairs or supply services.

Rental Agreement and other Obligations
The rental agreement, whether it is a month-to-month or a lease, provides the rules and policies while living at the rental home. Be sure to read the language carefully because it is considered a contract between owner (and/or manager) and resident.

SUBJECT: Technical corrections to employee organization Memorandums of Understanding

IT IS RECOMMENDED THAT THE CITY COUNCIL:

Adopt the amended Memorandum of Understanding with the Rio Dell Employee’ Association and the Rio Dell Peace Officers Association (attached)

BACKGROUND AND DISCUSSION

On July 10, 2012 the City Council adopted Resolution 1166-2012, approving the Memorandums of Understanding (MOU) with both the Rio Dell Employees’ Association and the Rio Dell Police Officers Association. Over time several inadvertent errors have been found and are noted in this report for correction. None of these corrections require a negotiation of the MOU with either organization. Corrections in the MOU’s are as follows:

Employees’ Association

1. Correct Salary Schedule.- Article 8 contained a number of salary schedules for the 2 year agreement depending on whether the Public Safety Law Enforcement Service Fund monies were approved in the State budget. Under Schedule A for example, if the City received at least $60,000 of such monies, the salary adjustment would be increased from 2% to 3%. Somehow a schedule of 4% was inserted into the final MOU and approved. It needs to read 3%. The Employees’ Association agrees that the error needs to be corrected. The good news is that Finance knew that it should have 3% and so they did not work off of the incorrect Schedule.

2. Correct Salary Range Steps.-The salary ranges steps “A” through “E” on the Salary Schedules were calculated incorrectly for employees moving steps “A” through “D”. There were only a few since most employees are either at the “E” step or employed by individual agreement and are not affected. The incorrect calculations ranged from $00.01 to $00.06/hour, resulting in employees being underpaid over 7 months between $12 and
$72. With the Council’s adoption of Resolution 1194-2013, these back payments will be made in the next regular bi-weekly paycheck.

3. **Correct Deferred Compensation Contribution.-**Article 11 (Deferred Compensation) erroneously states that the employer’s contribution is 12%. It should be corrected to state read percent (10%).

**Police Officers Association**

1. **Correct Salary Range Spread for Sergeant.** - Cooperative Personnel Services prepared a classification and total compensation study for the City and issued their final classification report in September 2010. Included in that report was the recommendation adopted by the City Council that there be at least a 10% salary spread between a supervisor and the highest paid employee supervised. This is the standard practice of public agencies. Thus, the Corporal is paid 10% more that an Officer and the Sergeant is paid 10% more than the Corporal.

The spread on the salary schedule for the Corporal and the Officer is correct at 10%, but the spread for the Sergeant to the Corporal is 12.29%. The error amounts to $00.55/hr. or $1,144 for the fiscal year. It is not suggested that the employee be required to repay the overpayment that was not his error, but it is recommended that the employee be “Y” rated now and that the pay adjustment in the second year of the contract be at the correct level as provided in the corrected MOU. If approved by the Council, a Personnel Action Form will be process noting the “Y” rate and a side letter with the Sergeant will be prepared.

The amended MOU’s with the Employees’ Association and the Police Officers Association are enclosed.

For Meeting of: February 5, 2013

To: City Council

From: Kevin Caldwell, Community Development Director

Through: Jim Dretchen, City Manager

Date: January 28, 2013

Subject: Sign Regulations

Recommendation:

That the City Council:

1. Receive staff’s report regarding amending Section 17.30.260 of Rio Dell Municipal Code, the City’s existing sign regulations to correct an error; and

2. Open the public hearing, receive public input and deliberate; and

3. Introduce Ordinance No. 300-2013 amending the Sign Regulations, Section 17.30.260(e) of the Rio Dell Municipal Code, to correct an error to allow appurtenant signs in all commercial zones, including the Town Center and Industrial Commercial zones. The proposed Ordinance also clarifies that the signs may be illuminated.

Background and Discussion

Staff recently discovered an error in the existing sign regulations, Section 17.30.260 of the Rio Dell Municipal Code (RDMC). The City adopted the current zoning regulations in 2004. The vast majority, including the sign regulations, of the adopted regulations were carried over from the original zoning regulations, Ordinance 59.

A property owner recently contacted the City regarding placing a sign in the Town Center zone. Upon a review of the sign regulations, staff discovered that appurtenant signs are restricted to
the Community Commercial (CC) zone. The current sign regulations are included as Attachment 1. The applicable provision is identified below:

17.30.260 Signs and nameplates.

(e) Signs, appurtenant to any permitted use and not to exceed three square feet per front foot of the site on which it is displayed; provided, that any site shall be permitted at least 50 square feet, but in no case more than 300 square feet, and divided into not more than six single- or double-faced signs, shall be permitted in any CC zone (emphasis added).

Staff reviewed the original sign regulations, Section 6.18, Ordinance 59 included as Attachment 2, and determined that there was an error in carrying over the previous regulations into the current regulations. Section 6.18(e) of the original sign regulations are provided below:

6.18 Signs and nameplates.

(e) Signs, appurtenant to any permitted use and not to exceed three square feet per front foot of the site on which it is displayed; provided, that any site shall be permitted at least 50 square feet, but in no case more than 300 square feet, and divided into not more than six single- or double-faced signs, shall be permitted in any C or M-L zone (emphasis added).

It is clear that the original sign provisions applied to all commercial zones and the Limited Industrial (M-L) zone. The 2004 amendments established the Town Center (TC) designation and replaced the Limited Industrial (M-L) zone with the Industrial Commercial (IC) zone. Accordingly, staff is recommending that Section 17.30.260(1)(e) be amended to include all commercial zones, including the Town Center and Industrial Commercial zones.

Another issue that requires an amendment is the fact that the regulations do not reference whether or not illuminated signs are allowed. However, as one can see in Attachment 2, there is a hand-written note indicating that illuminated signs are allowed. Staff believes this was the intent and that the historical application of the provision is consistent with ability to install illuminated signs. As such, staff is recommending that the regulations include a provision that appurtenant illuminated signs are allowed in commercial zones, including the Town Center zone and the Industrial Commercial zone.

Procedures for Zoning Ordinance Amendments

Pursuant to Section 17.30.010 of the City of Rio Dell Municipal Code, the following City procedures are required to amend the Ordinance:

- An amendment may be initiated by one or more owners of property affected by the proposed amendment, as set out in Section 17.30.010(3), or by action of the Planning Commission, or the City Council.

- The application of one or more property owners for the initiation of an amendment shall be filed in the office of the City Clerk on a form provided, accompanied by a filing fee.
• Subject only to the rules regarding the placing of matters on the Planning Commission agenda, the matter shall be set for a public hearing.

• Notice of hearing time and place shall be published once in a newspaper of general circulation at least ten calendar days before the hearing or by posting in at least three public places.

• At the public hearing, the Planning Commission shall hear any person affected by the proposed amendment. The hearing may be continued from time to time.

• Within 40 days of the conclusion of the hearing, the Planning Commission shall submit to the City Council a written report of recommendations and reasons therefore.

• Subject only to the rules regarding the placing of matters on its agenda, the City Council, at its next regular meeting following the receipt of such report, shall cause the matter to be set for a public hearing. Notice of the time and place of the hearing shall be given as provided in Section 17.30.010(5), hereof.

• At the public hearing, the City Council shall hear any person affected by the proposed amendment. The hearing may be continued to a specified future date, but shall be concluded within 60 days of the commencement thereof.

• The City Council shall not make any change in the proposed amendment until the proposed change has been referred to the Planning Commission for a report, and the Planning Commission report has been filed with the City Council.

Zone Amendment Required Findings:

1. The proposed amendment is in the public interest.

The amendment of the sign regulations is in the public interest in that it would correct what staff believes was an error or oversight when the current regulations were adopted in 2004. In addition, the success of a business depends in part on the location and visibility, including signage. A vibrant commercial district is in the public’s interest.

2. The proposed amendment is consistent and compatible with the General Plan and any implementation programs that may be affected.

One of the primary purposes of the General Plan is to facilitate planned, orderly development and to promote economic development, the public health, safety and welfare of the community. There are a number of policies which encourage a vibrant commercial community. Appropriate and visible signage is an important factor in the success of any business. There are no specific General Plan goals, policies or discussions that are contrary to the recommended amendments. Therefore, staff believes the proposed minor amendments are consistent with the General Plan.

3. The proposed amendments have been processed in accordance with the California Environmental Quality Act (CEQA).

The primary purpose of the California Environmental Quality Act (CEQA) is to inform the decision makers and the public of potential environmental effects of a proposed project.
Based on the nature of the project, staff has determined that the project is Statutorily Exempt pursuant to Section 15061(b) (3) of the CEQA Guidelines, Title 14, Chapter 3 of the California Code of Regulations. Pursuant to Section 15061(b) (3) of the CEQA Guidelines this exemption is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the project in question may have a significant effect on the environment, the project is not subject to CEQA. Based on the nature of the proposed amendments, staff believes there is no evidence to suggest that the minor amendments to the sign regulations will have a significant effect on the environment.

Financial Impact

The City is responsible for the costs associated with the proposed amendment. The cost is insignificant and will not result in additional budget expenditures or revisions.
