SPECIAL MEETING MATTERS/PUBLIC HEARINGS

Authorization to Reduce HOME Rehab Program Interest Rate
City Manager Henrickson stated in 2009 the City received $500,000 under the HOME Housing Rehabilitation Grant for loans available to qualified homeowners for housing rehab. Since that time the City has been unable to issue any loans due to the current economic climate including unemployment rates and the declining housing market. In attempt to entice applicants, City staff worked collaboratively with the State and sub-recipient (Redwood Community Action Agency) to modify the program by reducing the interest rate from 3% to 0%. He said this action requires an amendment to the City’s HOME Housing Rehabilitation Guidelines by Resolution.

Motion was made by Marks/Dunker to approve Resolution No. 1087-2010 Amending the City’s HOME Housing Rehabilitation Guidelines Reducing the Interest Rate to 0%. Motion carried 4-0.

Approve Resolution No. 1086-2010 Approving the Destruction of Records
Finance Director Beauchaine stated as part of the year-end process, records were reviewed and marked for destruction. This request is to approve the destruction of two boxes of old personnel records on employees who terminated employment with the City prior to 2003.
Councilmember Marks asked how records are accessed that are kept off-site; Finance Director Beauchaine explained the process stating that when the files are prepared for storage they are labeled with the contents, Government Code Section that applies; and the corresponding date for destruction. An inventory list is kept on file electronically with the City Clerk and when a file is needed, the storage company is contacted and the files are delivered, usually within 1-2 hours after the request is made.

Motion was made by Dunker/Marks to approve Resolution No. 1086-2010 Approving the Destruction of Records Pursuant to the California Records Retention Guidelines and all Applicable Government Codes. Motion carried 4-0.
